Dear Parent/Carer

School Uniform

In order to make it easier to buy school uniform, we have chosen to use the Parents Online ordering service from Price & Buckland, who are our current supplier. This company offers a wide range of benefits including photographic visuals of all items available, as well as a customer service facility to help with sizing, delivery and general enquiries.

From Tuesday 03 May 2016 you will be able to order the school uniform either on the School's Website or by going to pbparentsonline.co.uk/kingschool. You will need to register your name/password and then you are ready to order.

To avoid ordering the incorrect size and then having to pay for the return post, I strongly recommend students try on samples of the uniform to determine the correct size required. Samples are available at the School Shop. You can either choose to have delivery made to School, which is free of charge and done on the 2nd and 4th Monday of each month, or you can have delivery made within five working days to a personal address for a charge of £3.95.

If you do not have access to a computer, you can pick up an order form from the School Shop and order by post, paying by cheque or credit card. Many thanks for your continued support of our School Uniform Policy.

School Shop

Any stationery and Design Technology/Food Aprons can still be purchased through the School Shop, as well as payment for trips, examinations, music lessons, etc. However, all payments made at the School Shop can only be made by cash or cheque (payable to The King's School).

Yours faithfully
