3 technical stuff

Qualifications at our School

9th grade passed - „Hauptschulabschluss“ (CSE)

9th grade, successful passed exams - „Qualified Hauptschulabschluss“ (qCSE)

10th grade, passed exams - „Realschulabschluss“ (GCSE)

10th grade, passed exams, very good marks - „Extended Realschulabschluss“ (eGCSE)

Important: You can change to grammar school after grade 6, 8 or 10

This is what we are famous for:

- UNESCO- School since about 20 years
- being active in protecting environment (won three prizes)
- different international partnerships for about 20 years
- partnership with pot- ash- mine for practical training of students
- chances for all kids to learn by their abilities (inclusion)

Our School in pictures

The timetable includes training lessons for students

Students can be active at breaks on our big schoolyard.

Students often use the big library (for meetings with authors , too)

Are you sporty? So train in the big, modern gym.

Students like to have lessons in the modern language lab.

In the afternoon we offer a lot of courses:

Students can join: pottery,
Unesco/Erasmus group, student's paper,
football, computer training, Jiu- Jitsu,
Environmental course, volleyball

School on tour

Each grade is going on a special „event“- tour:

Grade 5: „Come together“

Grade 6: „Class trip“

Grade 7 : „Ski Alpine“

Grade 8: „Canoing Adventure“

Grade 9: „Be different- England“

Grade 10: „Final tour“
