Dear Parent(s)/Carer(s)

As you are aware The King's School now has a new catering team providing break and lunch for students. In response to many students expressing their frustration with aspects of lunchtime at the end of the last academic year we are now trialling the following:

- Each year group now has a designated area/zone within school
- There is a staggered start to queue for lunch for each year group.

We will be reviewing the system daily and your child will be asked for further feedback so we can ensure we find a system which works best for everyone.

The field and the LRC are still available for all year groups; extra-curricular clubs will begin again next week.

Thank you for your support and co-operation. We will keep you updated with the progress of the new arrangements.

Yours sincerely

Mrs Elaine Briggs  
Head of School
