

Attendance Strategy

Trust Board Approval Date	6 th October 2017
Effective Date	6 th October 2017
Planned Review Date	August 2018
Web Access	Internet
Owner	Chief Executive Officer

“They’re only a few minutes late every day, why are school going on about it?”		
Arriving 10 Minutes late every day	Means they miss 32 hours of lesson time each year	Which is equivalent to 6 whole school days lost out of class per year
“It’s only one day, they’re there for the rest of the time. “		
Just 1 day off/absent every week	Means 2 months of lost education	That’s 7.5 weeks, or a whole half term of missed lessons

	<p>Government research shows that 17 days missed per year often results in a drop of one grade at GCSE. Missing school seriously affects life opportunities</p>
---	---

1. Introduction & Aims

1.0 Introduction

The Pontefract Academies Trust (the “Trust”) is committed to having policies and procedures in place to ensure that all learners educated in its schools attend every day. Improving school attendance and reducing absence is a priority for the Trust and continues to be a challenge for its schools, children and young people, families and the Local Authority (LA). There is a strong correlation between attendance and achievement, and regular school attendance is vital if children and young people are to achieve and fulfil their potential, particularly as the curriculum becomes more demanding.

This strategy has been developed to support schools to work cooperatively, in a consistent manner, make the best use of resources, and to send an unswerving message to children and families that school attendance matters.

It will outline

- Roles and Responsibilities
- Best Practice
- Working with the Education Welfare Service (EWS)
- Legal Action
- Model Attendance Policy.
- PAT referral Flow Chart
- Holidays in Term Time Flow Chart.

2.0 Aims

The Trust strategy aims to:

- Improve attendance across all its schools so that it is consistently above national averages;
- Reduce persistent absence across all its schools so that it is consistently below national averages;

2. Roles and Responsibilities

- 2.0** Schools play a central role in ensuring that children and young people attend every day. This includes all stakeholders, including staff, parents, pupils and local governors taking a positive and pro-active role in the promotion of good attendance.
- 2.1** Schools have a key role to play in the early identification of patterns of absence, and for subsequent early intervention at individual, cohort and whole school level.
- 2.2** Strategies and procedures for reducing absence and promoting attendance must be clearly set out in each school's attendance policy, which must identify how individual cases will be managed and how the school works with the Principal Attendance Officer (PAO).
- 2.3** The process of escalating identified cases must also be outlined in each school's attendance policy and parents must be made aware of the legal sanctions, which may be used to enforce S444 of the Education Act 1996.
- 2.4** Schools must designate a member of the Senior Leadership Team (SLT) to have an overview of attendance and the Local Governing Body designate a Local Governor with to focus on attendance.
- 2.5** Schools within the Trust will take responsibility for attendance from low level issues up until the issuing of Penalty Notices for term time holidays and irregular school attendance. This will include First Day Response calls, early home visits, meeting with parents, correspondence and telephone calls. PAT fast track process will begin if there are continued concerns.
- 2.6** Schools across the Trust will have a rigorous approach to poor punctuality and term time holiday absences, and work with the Principal Attendance Officer to deploy legal sanctions in the form of Parental Prosecutions and where appropriate, Penalty Notices (PNs) to address the matter.
- 2.7** At the end of each term, schools will provide attendance and persistent absence data for consideration by the Trust Board.

3. Best Practice

- 3.0** To ensure a consistent and positive approach to attendance each school will:
- Designate a member of the Senior Leadership Team (SLT) responsibility for attendance;
 - Designate a Local Governor to focus on attendance
 - Have a First Day Response system in place, and the capacity to follow up pupil absences by the undertaking of home visits as appropriate
 - Identify patterns and trends of absence.
 - Initiate parental meetings to discuss reasons for absence, poor punctuality and term time holidays.
 - Identify cases for escalation in consultation with the PAO
 - Initiate 'Fast Track to Attendance' meetings.
 - Liaise with the PAO at an agreed time to discuss attendance issues and guidance on gathering evidence for parental prosecutions.
 - Prepare referrals with supporting evidence for the PAO/EWS including Fast Track, PNs, Parental Prosecutions, Elective Home Education, Children Missing Education and Child Employment and Performance Licensing.
 - Reward, where possible, cases where there is improved and full attendance.
 - Initiate school wide displays promoting attendance.
 - Collate and retrieve attendance data.
 - Collaborate with network partners across the Trust.

4. Working with the Principal Attendance Officer

4.0 In collaboration with the newly appointed Attendance lead, the PAO will provide:

- Consultation sessions, either face to face, by phone or by email to discuss issues, consider the possibility of parental prosecution, education planning meetings and penalty notices.
- Advice, consultation, assessment and intervention for children and young people of school age who present with attendance concerns. This is casework involvement from the PAO, and the discussion relating to school's pre-referral work.
- Support school staff to develop and implement strategies for children and young people with irregular attendance. This is advice and discussion regarding the way to move a case forward.
- Consultation, casework and support to provide a vital link between parents, carers and school, and a range of services involved with the student where the issues are complex. As part of casework and advice and guidance to school the PAO provides a link between home/school and other agencies, (e.g. Child Sexual Exploitation and Multi Agency Risk Assessment Conference investigations.)
- Consultation, casework and support to provide a vital link between home and school, including making home visits as appropriate.
- Negotiated, agreed and tailored staff development and training delivered on a Trust site, or at a site arranged by the Trust. Support to teaching and other staff, and to support their professional development, through advice/consultation re the needs of the students in school.
- Summary reports of involvement will be produced within 5 working days.
- Attendance at Joint Consultative Meetings (JCMs), and other regular meetings planned by the school to support pupils (for example, Pastoral Support Plan meetings, Planning Meetings etc.).

4.1 The PAO will:

- Conduct themselves according to published codes of professional practice and ethics, including the Trust's Code of Conduct and the Health and Care Professions Council (HCPC) standards for Social Workers.
- Share good practice from local, regional and national developments.
- Be familiar with and advise the Trust and its schools on recent relevant legislation and guidance.
- Be familiar with and advise the Trust and its schools on LA and national policies and procedures for improving school attendance and reducing absence.
- Provide objective, evidence based assessments and advice, which might, on occasion, challenge the prevailing views of the school.
- Arrive punctually for scheduled appointments and contact school if, for any reason, they are likely to be delayed.
- Complete a record of discussions within 5 working days.
- If the need for a formal, typed report is agreed, provide it in a timely fashion with copies to parents and other relevant agencies.
- Maintain file records in line with professional guidelines and ethics.
- Maintain records of the time spent on behalf of the Trust and identify statutory/SLA work load.
- Inform the school as soon as possible if a visit has to be cancelled.

4. Working with the Education Welfare Service

- Undertake Trust wide “drop-in” clinics on a monthly basis, at agreed venues for school staff to access advice and guidance.

4.2 Individual Schools should:

- Negotiate and clarify with the PAO the purpose and outcomes of their involvement.
- Designate a member of staff within the school with the responsibility to liaise and plan with the PAO.
- Provide comprehensive data relating to whole school and individual attendance.
- Provide records of interventions, evaluations of previously tried strategies.
- Negotiate priorities and activities for each school visit with the PAO and ensure that where possible, meetings which require the PAO to attend are arranged for the day of the routine PAO visit.
- Obtain informed parental consent prior to the PAO undertaking any individual work with a child or young person.
- Keep to the negotiated timetable for the PAO’s visit.
- Make time available for key staff to consult with the PAO.
- Provide a working space appropriate to the agreed programme of work for the PAO.
- Retain responsibility for the delivery of initial interventions relating to irregular attendance.
- Inform the PAO as soon as possible if it is necessary to change the agreed programme for a visit or if it is necessary to re-arrange the visit.
- Provide the PAO with access to the school’s attendance data systems.
- All attendance staff to attend regular network meetings with the PAO to keep up to date on all attendance matters and share good practice.

5. Safeguarding

5.0 Absence Procedure

1. **Day one of absence** – designated school staff to make contact if no reason for the absence has been provided. If the child has a Child Protection Plan/Level 4 Intervention, school should inform the pupil's social/case worker.
2. **Day two of absence** – repeat above and exhaust all contact details for the child.
3. **Day three of absence** – home visit as appropriate.

Schools should have an alternative plan in case the designated member of staff is absent or unable to undertake these duties.

5.1 Home visits: in line with the Trust Home Visit Policy

When a child has been absent for three days and school has concerns and attempts to contact have been unsuccessful (i.e. after you have used all telephone numbers provided) then a home visit must be conducted by a member of school staff, following Trust Home Visits Policy guidelines (see Appendix 3).

If the home visit is unsuccessful, staff will leave a card/note requesting that the parents/carers contact school. If the situation does not change, then after five days school should inform the PAO.

If the home visit is successful then staff should express their concerns over the absence(s) and deal with any issues appropriately.

The following should be considered:

- Are contact numbers on the system incorrect?
- Have there been any issues in the community/family?
- Does the family need support? If so is this internal/external?
- Is a referral to Social Care necessary?
- Is a Common Assessment Framework (CAF) assessment necessary?
- Is absence due to a term time holiday?

(Please refer to Appendix 2 – PAT Referral Flow Chart)

5.2 Term Time Holidays

If a child's absence is due to a holiday, this will obviously affect their overall attendance. The school's Attendance Policy should include information regarding term time holiday absence, and its position regarding the use of PNs. Wakefield Council issues these at the request of schools, for an unauthorised absence of 10 sessions or more, in accordance with the this Strategy. Requests for PN for term time holiday absence should be made using the EWS62A referral form.

The Trust accepts that holidays in term time can only be authorised by Head Teachers in exceptional circumstances and with prior notice.

5. Safeguarding

- 5.3** The Isle of Wight vs Platt on 6th April 2017 - The Supreme Court unanimously allowed the Council's appeal, declaring that the word 'regularly' means 'in accordance with the rules prescribed by the school'. Lady Hale, with whom the other Justices agree, gives the only judgment.
- 5.4** All holidays remain unauthorised and will be subject to a PN unless there are exceptional circumstances.
- 5.5** The Trust requires school attendance policies to reflect this.

5.6 Medical confirmation

Where a child has regular medical absences, the school may seek supportive medical documents to support an absence. Only the Executive Headteacher/ Headteacher/ Head of School has the authority to authorise absences, not the parent.

5.7 Legal Action

Under S444 of the Education Act 1996 parents have a responsibility in law to ensure their children attend school regularly. Whilst proactive and supportive work may bring about improvement in attendance, often this is not successful. In cases of non-engagement and repeated absences it may be necessary to invoke legal action.

It is important that all schools throughout the Trust adopt a common approach in relation to sanctions and adhere to their use as recommended and discussed with EWS.

6 School Attendance Legislation

- 6.1** Under Section 7 of the Education Act 1996, parents are responsible for making sure that their children of compulsory education age¹ receive efficient full-time education that is suitable to the child's age, ability and aptitude and to any special educational needs the child may have. This can be by regular attendance at school, alternative provision or by education otherwise.
- 6.2** If a child of compulsory education age fails to attend regularly at a school at which they are registered or at alternative provision made for them then the parent may be guilty of an offence under section 444 of the Education Act 1996.
- 6.3** Under Section 447 of the Education Act 1996 a LA must consider applying for an Education Supervision Order (ESO) under section 36 of the Children Act 1989 before prosecuting a parent under section 444. An LA may apply for an ESO instead of or as well as prosecuting the parent.
- 6.4** Section 444A and 444B of the Education Act 1996 (introduced by section 23 of the Anti-social Behaviour Act 2003) introduced penalty notices as an alternative to prosecution under section 444. Parents may discharge potential liability for conviction for an offence under section 444 by paying a penalty.
- 6.5** Section 103 of the Education and Inspections Act 2006 places a duty on parents in relation to an excluded pupil. A parent has to ensure that their child is not present in a public place during school hours without reasonable justification during the first five days of each and every fixed period or permanent exclusion. These days of exclusion are known as "specified days of exclusion" and will be detailed in a notice given to the parent under section 104 of the 2006 Act. This notice will be combined with the notice the school must issue when a child is excluded. The parent is responsible for the child during the specified days upon receipt of the notice. Section 105 allows for a penalty notice to be given to a parent guilty of an offence under section 103. The school must have notified the parent at the time of the exclusion of their duty and the days to which it relates.
- 6.6** The education-related provisions of the Anti-social Behaviour Act 2003 apply to all parents who fall within the definition set out in section 576 of the Education Act 1996. 'Parent' means all natural parents, whether they are married or not; and includes any person who, although not a natural parent, has parental responsibility (as defined in the Children Act 1989) for a child or young person; and any person who, although not a natural parent, has care of a child or young person. Having care of a child or young person means that a person with whom the child lives and who looks after the child, irrespective of what their relationship is with the child, is considered to be a parent in education law. Throughout this document, references to 'parent' mean each and every parent coming within the definition (whether acting jointly or separately).

¹ Compulsory education age is defined as beginning from the start of the first term commencing after the child's fifth birthday. A child continues to be of compulsory school age until the last Friday of June in the school year that they reach sixteen.

6. School Attendance Legislation

6.7 Parenting Contracts

Parenting contracts can be used to encourage parents and pupils to improve attendance and punctuality. They are formal agreements between parents, the school and the LA which set out steps which will be taken to secure improvements in attendance. Although they are not legally binding they can be used as evidence in the Magistrates Court if a parental prosecution is pursued.

6.8 Penalty Notices

Parents and pupils are supported at school and by LA officers to overcome issues that prevent regular school attendance through a wide range of intervention strategies. Where this intervention fails PNs are appropriate interventions to get pupils back into school or alternative education. They are also an appropriate sanction for a parent who has failed to ensure their child is not found in a public place while excluded; and, where a parent is judged capable of securing their child's attendance but is not willing to take responsibility for doing so.

6.9 The Education (Penalty Notices) (England) Regulations 2007 set the framework for the operation of the penalty notice scheme. The LA has the prime responsibility for the protocol within which all partners named in the Act will operate. The Education Legal Service delivers this LA responsibility and PNs will only be issued within this Strategy. The issue of PNs must conform to requirements of the Human Rights Act 1998.

6.10 A PN can only be issued in cases of unauthorised absence. Use of PNs will be restricted to two per pupil per academic year. In situations where a parent meets the criteria for more than one penalty notice to be issued, because there is more than one child with irregular school attendance, the issue of multiple PNs may occur.

Circumstances in which a penalty notice might be issued are:

- Irregular school attendance;
- Overt truancy (including pupils found during truancy sweeps);
- Parentally-condoned absences which are not authorised by school;
- Unauthorised holidays in term-time;
- Persistent late arrival at school (after the register has closed);
- Being in a public place during the first five days of an exclusion; and,
- Pupils on the "Fast Track to Attendance" scheme.

6.11 To ensure consistent service of Penalty Notices the following criteria will apply:

- Where there are at least 10 sessions (half days) recorded as unauthorised absence due to a holiday in term-time; or
- Where a child has at least 10 sessions (half days) lost to unauthorised absence during the previous six months period. A suitable circumstance is where a parent continually fails to provide a reasonable or acceptable explanation for a pupil's absence; or where a pupil has a record of unauthorised absence from school and the circumstances appear to have been avoidable; or

6. School Attendance Legislation

- Where a child who has been excluded is present in a public place during the first five days. A penalty notice will be issued on the first occasion if appropriate after considering the parents action or inaction which led to the child being in a public place at a proscribed time, the parent's justification if any, and the parent's attitude to having failed to meet their statutory responsibility.

6.12 Education Supervision Orders (ESO)

The LA may apply to the Family Proceedings Court for an ESO as a means of attempting to ensure a child's regular school attendance, whether or not the child is registered at a school. The LA may consider the ESO as a more appropriate way forward than a Parental Prosecution or it may be issued in conjunction with a Parental Prosecution. This is usually decided at an **Education Planning Meeting**, which is chaired by the EWS and to which a representative of the LA's Legal Services will be invited to provide advice and guidance.

6.13 Parental Prosecution

This form of legal action is brought under the 1996 Education Act, Section 444 as a last resort when all attempts to encourage and support improvements have failed; when the parent has not engaged, or when a FPN remains unpaid. The EWS may bring a case to the Magistrates' Court for any school or Academy providing there is sufficient weight of evidence and it is in the public interest to do so.

There are two levels of offence, Section 1 and 1A. Section 1 offences are absolute offences (guilty until proven innocent) and are usually dealt with by means of a fine, Community Order or Conditional Discharge. Section 1A offences mean the LA must prove the parent "knowingly" allowed the child to be absent from school. The penalties include fines, Community Orders and also custodial sentences.

7. School Attendance Policy

7.0 Each school is required to

- populate the Trust Model Attendance Policy attached to this Strategy;
- propose it for approval by the Local Governing Body in early Autumn term;
- Implement the policy following approval, including making it available to parents and learners on the school's website.

The King's School Attendance Policy

Local Governing Body Approval Date	
Effective Date

The King’s School Model Attendance Policy

We believe that in order for children to gain the greatest benefit from their education it is vital that they attend regularly and should be at school, on time, every day the school is open unless the reason for the absence is unavoidable. It is very important that parents ensure this. This Policy sets out how together we will achieve this.

Aims

There is a direct correlation between Attendance and Attainment. The aim of the Attendance Policy is to raise levels of attendance and punctuality and reduce absence.

(First table both settings)

“They’re only a few minutes late every day, why are school going on about it?”		
Arriving 10 Minutes late every day	Means they miss 32 hours of lesson time each year	Which is equivalent to 6 whole school days lost out of class per year
“It’s only one day, they’re there for the rest of the time. “		
Just 1 day off/absent every week	Means 2 months of lost education	That’s 7.5 weeks, or a whole half term of missed lessons

(Warning table secondary only)

	<p>Government research shows that 17 days missed per year often results in a drop of one grade at GCSE. Missing school seriously affects life opportunities</p>
---	---

Objectives

- To reduce absence and lateness, and raise awareness of the importance of school attendance.
- Include all school staff, parents, pupils and Governors in attendance.
- Work effectively with parents/carers and partner agencies, using a range of strategies to improve the attendance on an individual and whole school basis.

The Law

Section 444 of the Education Act states that, if a child of compulsory school age fails to attend regularly, the parent is guilty of an offence and that parents have a legal responsibility to ensure their child's school attendance. Failure can lead to legal action being taken by the LA in the Magistrates court, or the need to issue Penalty Notices. Since March 2001 there has been a further offence, Section 444 (1A) where a parent knowingly allows their child to be absent from school. This offence can carry a custodial sentence.

Pupils whose attendance falls below 90% are deemed in law to be persistent absentees. A school week is 10 sessions/5days: so in reality any child whose attendance is at 90% has, in the average school year of 380 sessions/190 days, missed 19 days of education. This equates to just under 4 weeks of education missed (3 weeks 4 days): this is an unsatisfactory level of attendance. The Pontefract Academies Trust and this school see good attendance as being 96% or above, meeting the national average. This equates to only missing 15 sessions/7.5 days over the whole academic year.

Parents can help us by:

- Ensuring that your children attend regularly and are on time.
- Telling us the reason for any absence and when the child will return (if known), on the first morning of any absence. (Preferably before 8:30 a.m.).
- Not keeping your child away from the school for trivial reasons. Accept your obligations contained in the Home-School Agreement you received when your child joined school (see Appendix __ *where appropriate*).
- Where possible, arranging medical or dental appointments out of school hours or during school holidays.
- Keeping the school updated (by telephone or letter) if your child has an extended period of absence due to illness.

As a school we take measures to safeguard our learners by:

- Following up any unreported absences after registration, with a text on the first morning followed by a phone call if we receive no response to the text.
- If we are unable to contact a parent/carer, we will visit the homes of pupils who are regularly absent and whose attendance is below 95%. This will occur before 11:30 a.m. where possible.
- Notifying the relevant Social/Case Worker if a child subject to a Child Protection Plan or at Level 4 Intervention is absent without explanation.
- Acknowledging and rewarding good attendance.
- Reporting regularly to parents about their child's attendance.
- Letting parents know if we have any concerns regarding their child's attendance.
- If we continue to have concerns about a child's attendance we will begin the Fast Track process to support families to identify barriers to attendance and put strategies in place to remove these barriers.

Authorised Absences *(Primary version)*

We recognise that whilst all children should aspire to 100% attendance, there may be occasions when a child cannot attend school. Authorised absences include the following:

- Illness or injury.
- Medical or dental appointment (if unable to make out of school hours).
- Family bereavement.
- Religious observance.
- Exceptional Circumstances – as decided by the Head Teacher.

Unauthorised Absences *(Primary version)*

Unauthorised absence might include:

- Waiting at home for a delivery.
- Going for a family day out.
- Sleeping in after a late night.
- Going shopping, or for a haircut.
- Celebrating a birthday.
- Parental/Carer illness (minor).

AUTHORISED ABSENCE (*Secondary version*)

Parents and students should only plan absences from lessons if there is no alternative and the reason is a good one. In these circumstances, you will need to place a note in the Student Planner and provide supporting evidence before the event where possible. Where absences cannot be foreseen in advance the parent or student should let school know as soon as possible on the same day (failure to do so may mean that the absence is not authorised).

Absence from school *will* be authorised if it is for the reasons listed below:

- Illness
- Unavoidable Hospital/Dental/Orthodontist's appointments that cannot be arranged outside school hours, backed by evidence of an appointment card (confidential information could be removed)
- Relevant Religious Festival
- Close family bereavement – in this case a phone call will be acceptable in the first instance followed by a note from a parent or a responsible adult
- Attendance at the funeral of a close family member or friend
- A carer related/College interview (appointment letter must be provided)
- A Work Experience placement
- Participating in school run extra-curricular activity, such as Drama, Music, Sport etc.
- With an LA Licence to allow absence for sports competitions and Performing Arts such as participating in Drama/Film and Theatre productions
- Attendance at a Probation meeting/Court appearance
- Authorised study leave

The list is not intended to be exhaustive and other factors may be considered, such as the number of absences already taken, repetitions of the same excuse and whether students are able to provide suitable evidence for absence.

UNAUTHORISED ABSENCE (*Secondary version*)

Absence from school *will not* be authorised for:

- Holidays during term time (see below)
- Doctor's/Dentist's routine appointments
- Looking after brothers, sisters or sick parents
- Looking after the house
- Accompanying family members to appointments
- Birthdays
- Shopping
- Leisure activities
- Unsatisfactory absence notes
- Patterns of absence which arouse suspicion after investigation
- Periods during school or external examinations especially SATs and GCSEs

Penalty Notices/Holidays in term time

The Education Welfare Service is responsible for the administration and issue of Penalty Notices for schools within Wakefield.

Penalty Notices may be requested by the school when a child has been absent for 10 sessions or more, in accordance with Wakefield Council's Penalty Notice Code of Conduct.

Currently, any Penalty Notice issued in relation to school attendance is £60 per child, per parent, if paid within 21 days, rising to £120 if paid within 28 days. An unpaid Penalty Notice will be withdrawn by the EWS and a parental prosecution brought in its place, before the Magistrates Court under S444 of the 1996 Education Act.

The Head Teacher cannot grant any leave of absence for term time holiday absence unless there are exceptional circumstances.

Pupils have an entitlement to an education, not a term time holiday.

Holidays in term time - Isle of Wight vs Platt 2017

The Supreme Court unanimously allowed the Council's appeal, declaring that the word 'regularly' means 'in accordance with the rules prescribed by the school'. Lady Hale, with whom the other Justices agree, gives the only judgment. With this clarification from the Supreme Court, Penalty Notices will be issued for all term time holidays of 10 sessions or more unless the Head teacher has agreed that there are exceptional circumstances before the holiday is taken.

Medical and dental appointments

Parents/Carers should book routine/non-urgent medical or dental appointments outside school hours, or during holidays to avoid their child's education being disrupted.

- If your child is referred for a non-urgent medical appointment at hospital, where possible please request as late an afternoon appointment as possible so that they lose as little lesson time as is possible.
- Parents/Carers should ensure that when a child attends a medical or dental appointment they are only absent for the duration of the appointment and do not keep them at home for the whole day.
- School will only authorise absences for non-urgent medical or dental appointments providing that a doctor or dentist's letter, appointment slip or card clearly stating the appointment date and time is brought in to school (a copy is acceptable).

Diarrhoea and vomiting illness

Where children have diarrhoea and / or vomiting then school will adhere to the advice of the Government's Health Protection Agency and request that children are kept away from school for 48hrs after the **last** episode of diarrhoea or vomiting.

This is because if there is a bacterial or viral cause for the illness, the children can still be infectious for the first, usually 24 to 48 hours and 48 hours post recovery.

Punctuality (*Primary version*)

- School opens at ____ (*enter relevant time*) so your child needs to be on the playground by ____ (*enter relevant time 15 minutes after school commences*).
- It is important to be on time as the first few minutes in class are used to give out instructions or organise schoolwork for the rest of the day.
- If your child misses this short but vital session, their work for the whole day may be affected. Late arrivals are disruptive to the whole class and often embarrassing for your child.
- If a child is late to school after the close of registration at _____ (*enter relevant time*), they will receive a mark that shows them to be at school, but this will **not** count as a present mark and it will mean they have an unauthorised absence. This may mean that you could face the possibility of a Penalty Notice if the problem persists.
- Lateness is monitored and where children are persistently late their parents/carers will be invited into school for a formal meeting to discuss this.

Punctuality (*Secondary version*)

School starts at 8.50am when students are expected to be in their Tutor rooms. Registration closes at 8.55am and students arriving after that time may be recorded as an unauthorised absence. Repeated Unauthorised absence sessions for lateness could result in a Fixed Penalty fine being issued in line with Government and LA code of conduct.

Students should attend all lessons on their timetable punctually. If a student knows that they are going to be late to a lesson, they must have a note in their Student Planner. If late into school students should sign in at the Student Services Office.

Valid reasons for lateness may be that the bus did not arrive/broke down etc. NOT that the bus was missed.

Unauthorised lateness will result in school sanctions being administered (*see relevant policy*).

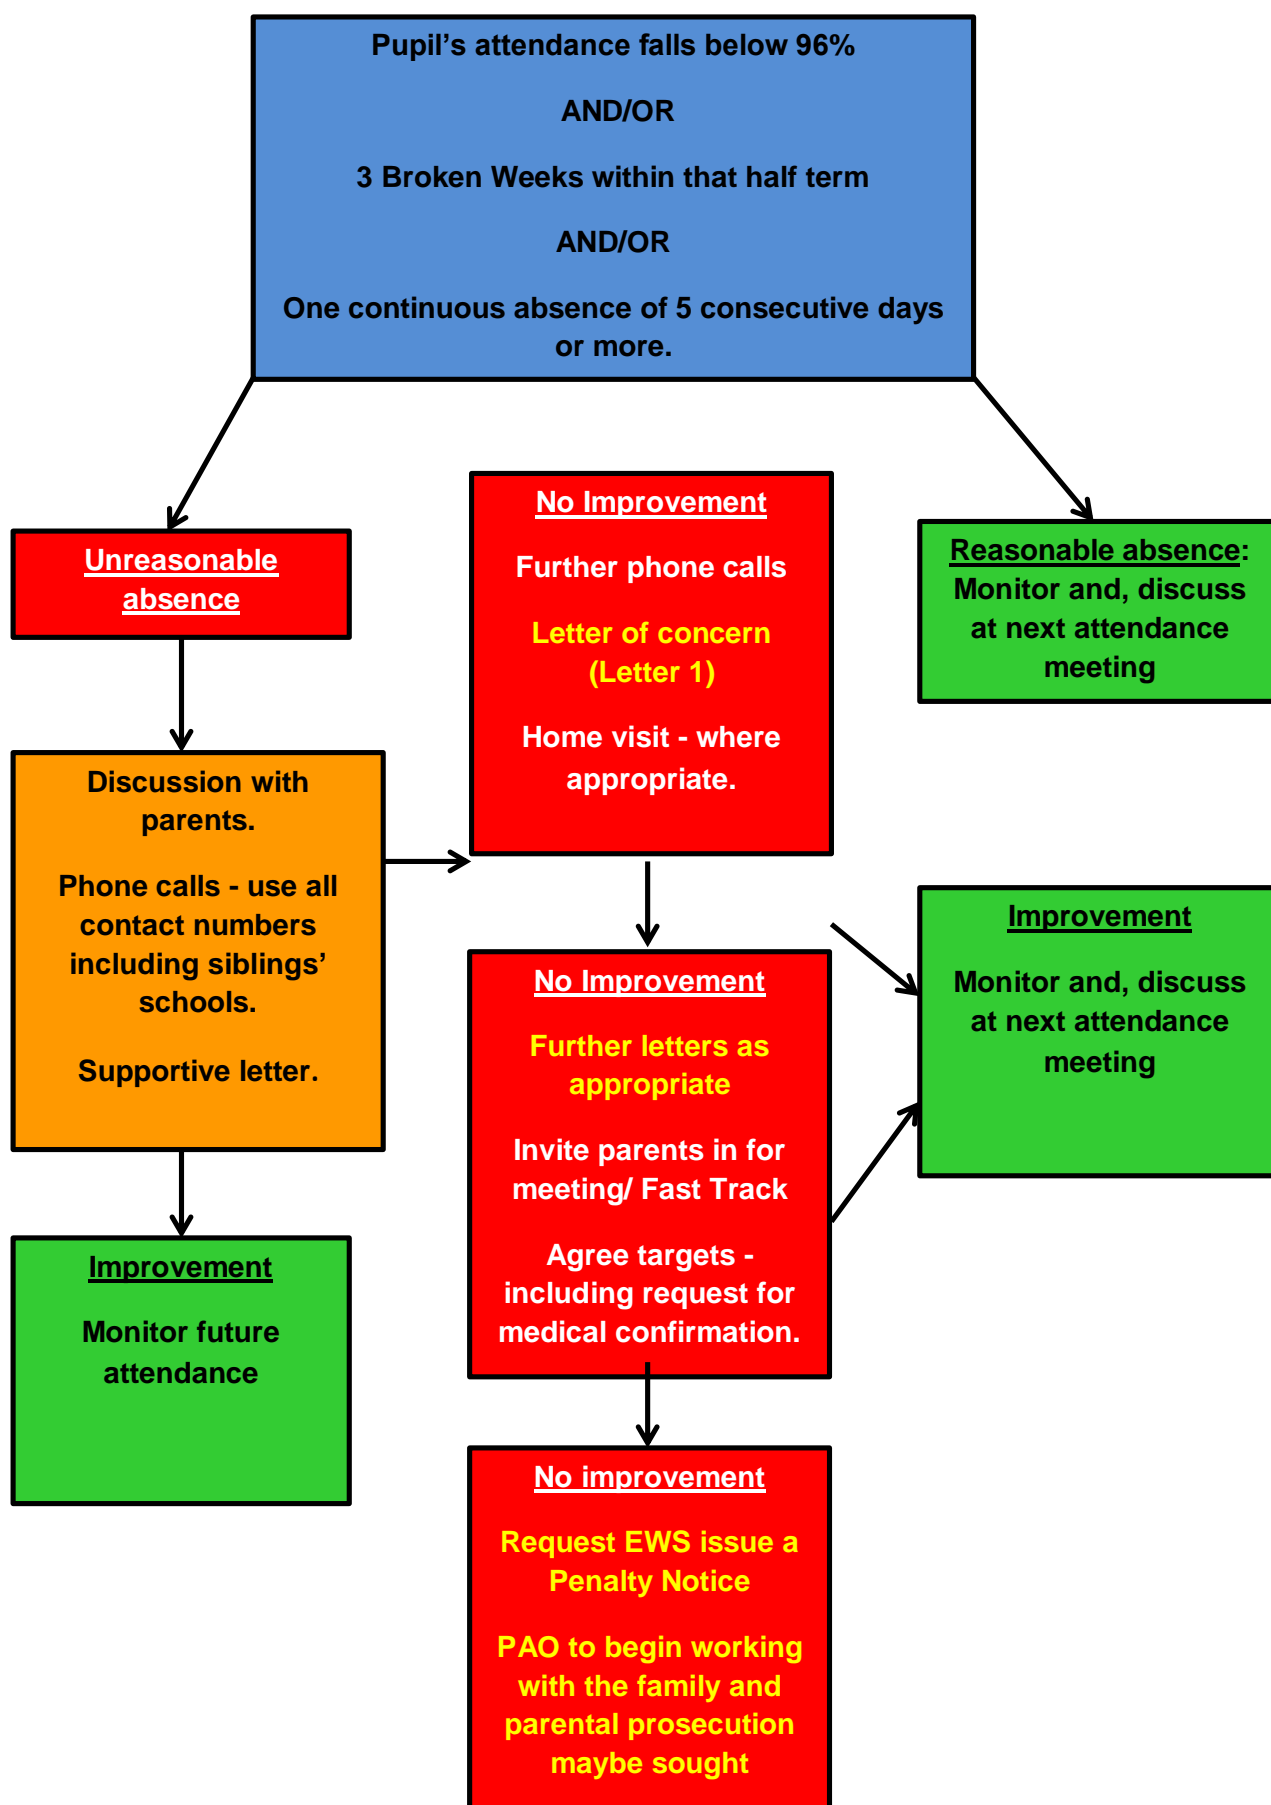

The Principal Attendance Officer

Parents are expected to contact school at an early stage and to work with the staff in resolving any problems together. This is nearly always successful. If difficulties cannot be sorted out in this way, the school may refer the child to the Principal Attendance Officer. He/she will also try to resolve the situation by agreement but, if other ways of trying to improve the child's attendance have failed and unauthorised absences persist, the Principal Attendance Officer can use sanctions such as Penalty Notices or parental prosecutions in the Magistrates Court. Full details of the options open to enforce attendance at school are available from the school or the Local Authority.

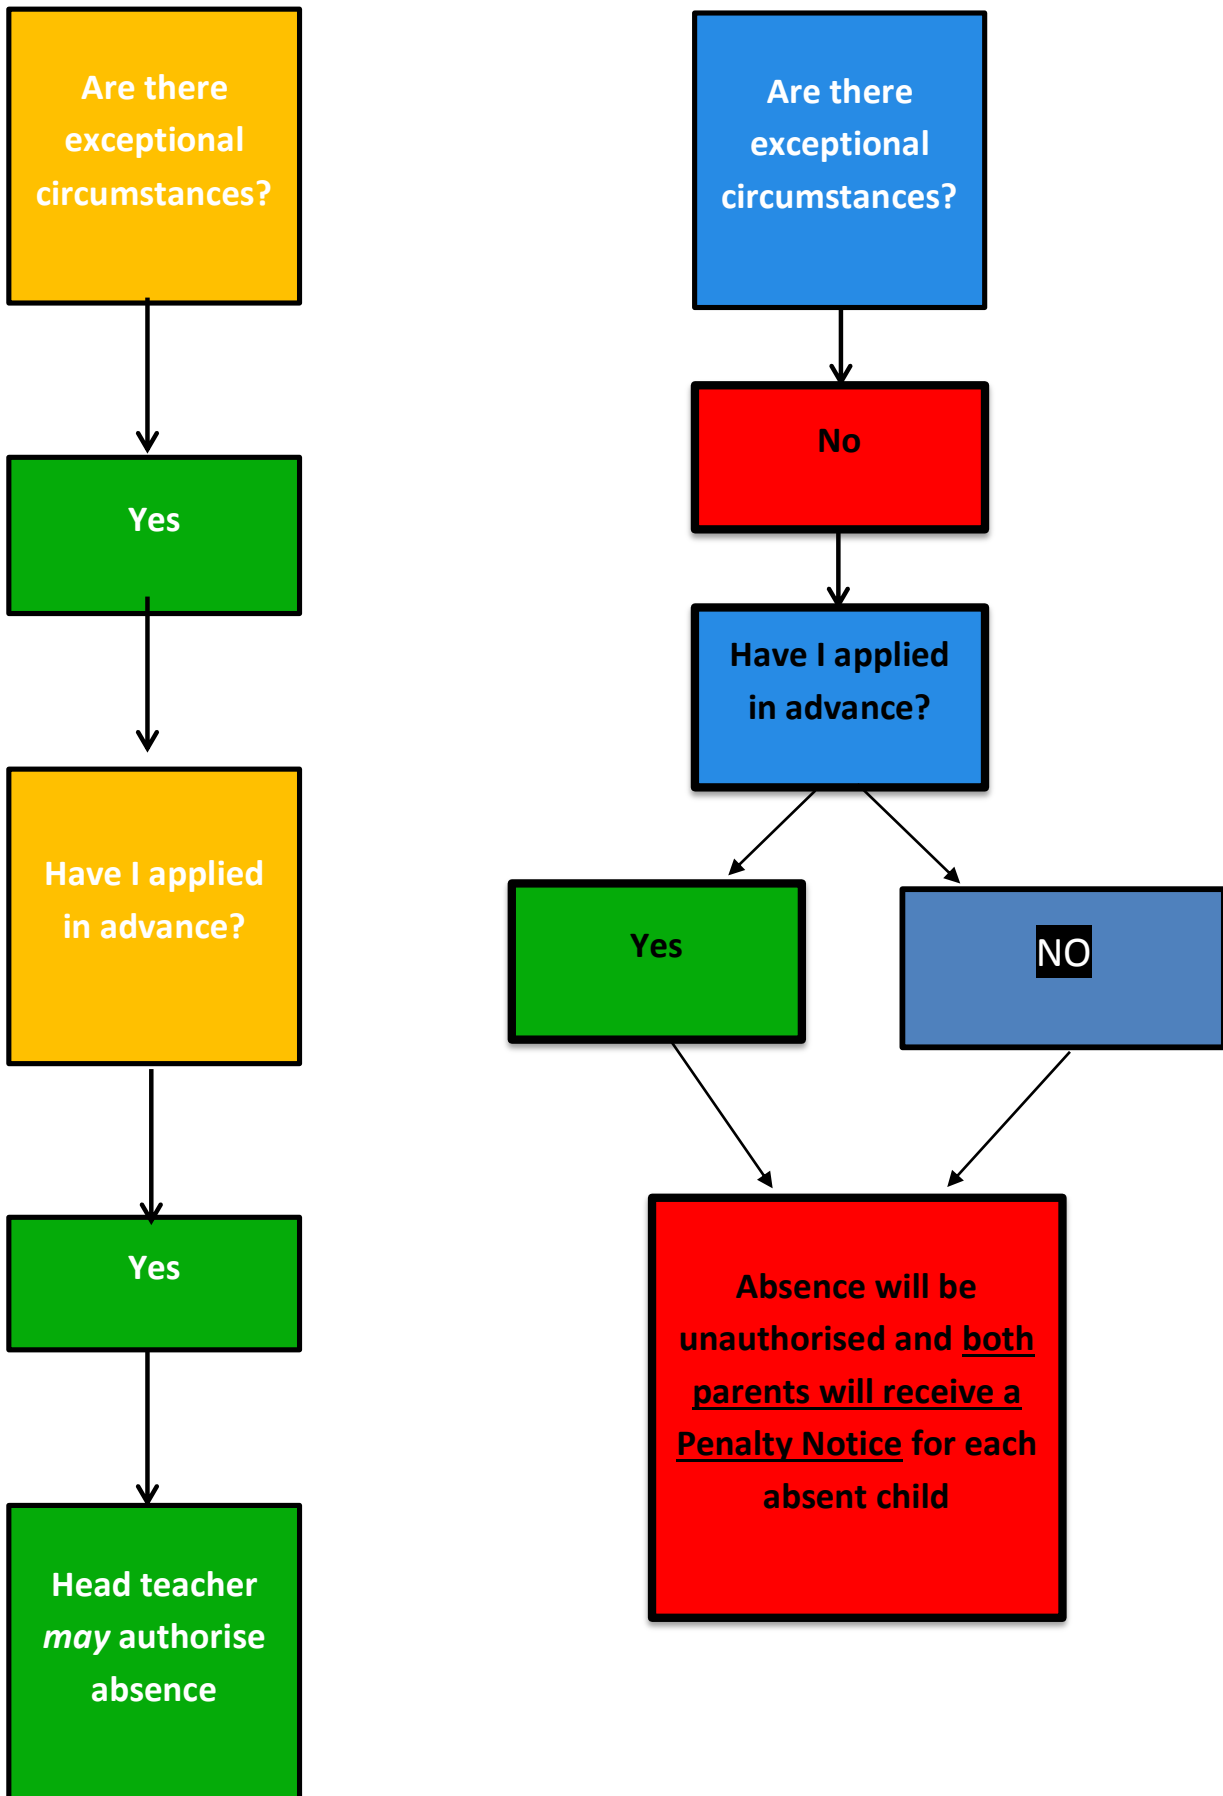

Education Welfare Service (EWS) / Local Authority (LA)

- EWS will provide advice and guidance with regards to children missing Education. Child Employment and Licensing.
- EWS will undertake legal action on behalf of the school.
- EWS will chair Education Planning meetings with a Legal Advisor from the Local Authority when cases are complex.
- The LA will support the school with networking and training events.

Appendix 1: Referral flow chart

APPENDIX 2 – Holidays in Term Time Flow Chart

Appendix 3 - Home Visits Policy

Aims

The aim of the home visit policy is to ensure good working practice and to provide guidelines in reducing risks to employees of the Trust when undertaking home visits.

- To ensure that designated staff follow the correct procedure prior, during and after carrying out a home visit.
- That staff have followed Health and Safety procedures in notifying the school of home visit and expected return time.
- That necessary information has been obtained prior to home visit in order to carry out risk assessment.
- A general risk assessment should be prepared to cover home visits. (See attached risk assessment).

Reasons for home visits

Staff make home visits in order to better meet the needs of the child and family. In promoting a partnership between parents and school, home visits provide the means for effective team problem-solving, observing children in their home environment, and encouraging parent involvement. Home visits may also lend distressed parents often much needed support to foster positive parenting. Effective home visiting furthers the mental, emotional, and physical health and development of the child by serving the whole family.

Home visits are important in helping the school to make contact with new, or hard to reach parents/carers. They are particularly useful as they enable the parent/carer to still have contact with the school, but in their own environment.

Home visits are to be used when:

- Pupils are refusing to come into school: this is normally the responsibility of the EWO but can be carried out by school staff or the school's Learning Mentors.
- New Foundation Stage pupils are about to join the school
- When there are attendance issues/concerns.
- When all other means of contact with a family has failed.

Home visits should not be undertaken by any member of staff without the knowledge of the Head Teacher or their Deputy and, where practicable, parents/carers should be informed of the home visit prior to staff arriving at the home.

Preparation for home visit

- Visits should be undertaken where practicable by prior arrangement.
- For Health and Safety reasons the Head Teacher or their Deputy should be notified of whom you are visiting.
- The school should have the mobile phone numbers of the relevant staff

- Cultural sensitivity/awareness should be observed during home visit, e.g. by not sending a male member of staff out alone to see a Muslim mother.

Any Child Protection concerns arising from home visits should be discussed with Designated Senior Person for Safeguarding on arrival back.

Dealing with difficulties and boundaries

Set the tone

- Be punctual when carrying out home visits.
- Introduce self and colleagues.
- Staff should always follow the client into the home; they must not enter the home first; the occupants may try to block the member(s) of staff in. Staff do not know who is already present within the home.
- Establish social connection (small talk).
- Staff should sit near the door/exit and avoid letting the client sit between them and the door.
- Include other family members present in conversation.
- Modify the environment (babies crying, TV, other distractions).
- Settle at a work place, i.e., the kitchen or living room (ask for suggestions).
- Staff should remember to use their instincts, stay calm and act confidently.

Containing Aggression

It is important, even if someone is trying to provoke a member of staff, they should not respond in kind. Meeting aggression leads to confrontation and someone could get hurt.

Staff should stay calm and speak slowly and clearly; they should not argue, be patronizing or try to outsmart the person verbally. Breathing slowly helps to control one's own tension.

Avoid body language which may be misinterpreted, such as looking down on the aggressor; hands on hips; folded arms; any physical contact. Staff should keep their distance.

Staff should talk through the problem with the client; suggest going to see a colleague, suggest a walk or some fresh air - allow aggression to be diverted against inanimate objects, such as banging the table.

Compromise - offer the aggressor a way out of the situation.

If a member of staff is unable to deflect or defuse the situation, they should get away - make an excuse to leave, e.g. remember an urgent appointment.

Staff should trust their instincts and not underestimate the situation. Things can get out of control very quickly. Be prepared!

Whilst talking, assess possible means of escape, should the situation worsen.

Staff should never turn their back. If they are attempting to get away, staff should move gradually backwards. The Police should be contacted if physical abuse/assault has occurred.

Any inappropriate, abusive, aggressive or violent behaviour towards a worker during a home visit should be recorded and discussed with the head teacher.

All workers should have access to debrief in the event of a difficult home visit.

Using Information Received

All information received will be used confidentially and will help staff to learn more about the educational, social, emotional and development needs of pupils.

Home Visits Risk Assessment

Risk Assessment for: For Pontefract Academies Trust Staff making visits to the homes of pupils.							
Date risk assessment carried out	29.02.1016	Work location	Pontefract Academies Trust	Names of risk assessors involved	Gareth Evans	Review date	October 2016

Safe System of Work (SSOW) for carrying out the activity

Instructions / Information required to undertake the task safely	Who is responsible for carrying this out
All staff to read and adhere to this risk assessment	

Checklist for risk assessment

	Yes	No		Yes	No		Yes	No
Have staff being trained to carry out risk assessments (RA's)?	X		Is a team approach being used for undertaking RA's?	X		Do employees and trade unions play an active role in carrying out RA's?		X

Home Visits Risk Assessment

Do the control measures adequately control the risk and lead to a safe way in which to undertake the task (i.e. a safe system of work – SSOW)?	X		Has a safe system of work (SSOW) being developed following the RA - i.e. a clear list of instructions that explain what needs to be in place to do the job safely?	X		Have the findings of the RA and SSOW been communicated to all employees (where relevant)?	X
Can you provide evidence that staff have been shown the RA and SSOW and understand it?	X		Are RA's and SSOW easily available for all staff?	X		Do staff know where the RA's and SSOW can be found?	X
Are RA's regularly and continually reviewed to bring about improvements in health and safety?	X		Are RA's reviewed following an accident, incident or near miss?	X		Does your risk assessment include risks to others: service users, members of the public, visitors, contractors?	X

This risk assessment has been conducted on the date specified and involved the staff listed previously.

It has been determined that the risk assessment needs to be reviewed on: **Signature of risk assessors / staff involved:**

Dear parent/carer,

We are concerned that ***Child's name*** has been absent from school for **XXX** sessions since the start of the term. We would like ***child's name*** to be happy and safe in school and to attend every day.

If you are having any problems or you would like to discuss your child's attendance, please come into school and speak to **XXX**.

Yours sincerely

Letter 2 – No Improvement / Request medical documents

We are concerned that there has been no improvement in *Child's name* school attendance since the last time we wrote to you. We are no longer able to authorise any further absences unless you provide school with supportive medical documents such as a prescription packet, hospital letter or appointment card.

If you would like to discuss this, please do not hesitate to come into school and talk to xxx who will be happy to explain our school policy on attendance.

If you are having any difficulties with any aspect of school, we are here to help and support you. Our door is always open.

Yours sincerely

Dear Parent(s)/Carer(s)

Student:

Your attention has already been drawn to’s irregular attendance at School. As there has been no sustained improvement the matter has been referred to the ***Fast Track to Attendance scheme*** which this school operates.

I would like to invite you to a meeting in school on to discuss the matter. Please report to the Reception.

If you are unable to attend this meeting please notify school as soon as possible to arrange a mutually convenient appointment.

I must advise you at this stage that if there is no improvement in’s attendance following the meeting the Local Authority may impose a Penalty Fine in respect of this matter.

Yours sincerely

Beverley Riley
Principal Attendance Officer
Pontefract Academies Trust
