25 May 2018

Dear Parents and Carers

Changes to Data Protection Law

You may be aware that from 25 May 2018, the rules around data protection have changed. The General Data Protection Regulation (GDPR) will change how we can use your personal data and keep it safe and will also strengthen your rights over your own data.

The point of all this is to make sure sensitive or private information about yourselves and your children stays safe. Whilst it is similar to the current Data Protection Act in many ways, there are a few differences, so we need to make a few changes at the school in order to ensure we remain compliant.

One of these changes is that we have updated our privacy notice. We have attached a copy of the revised privacy notice for your information, it is also available on the school website.

As part of our work to comply with the GDPR, we will also be changing how we obtain consent where this is required, for example using photographs and videos of your child on our website, on school publicity materials, school social media and with local media organisations. You may withdraw your consent at any time by emailing schoolrecords@kings.patrust.org.uk.

Yours faithfully

Mrs E Briggs
Head of School

Central to the values of The King's School is a commitment to the safeguarding and protection of young people.
